### **REQUIREMENTS REGARDING BOAT PARKING ON CLUB PREMISES**

1. By completing this form I declare that I will hold a valid and current insurance policy for the boat, with a minimum third party cover of £2,000,000, whilst it is laid up on West Kirby Sailing Club premises.
2. Storage is only available to current Club members; all other craft and personnel commit trespass. The Club has a lien on all craft in respect of unpaid money and buyers should take this into account when purchasing boats stored on club premises. Members will be held responsible for the payment of storage fees etc. particularly when the craft is sold to a non member.
3. The above charges are discounted for payment before the service is required, payments made after are liable to a 50% surcharge.
4. Boats remaining on the Club premises beyond the period paid for will incur a weekly charge at the 2010 winter rates.
5. Boats must be readily identifiable with the sail number or name clearly marked on the boat and if a boat has a trailer this also must be marked.
6. Boats are parked on the Club premises at the owners' risk and should be regularly checked by the owner.
7. Boats must remove sails from spars when laid up in the yard. **FURLING SAILS IS NOT ACCEPTABLE.**
8. **Running rigging MUST be properly secured to avoid causing noise disturbance. Halyards must be secured well away from the mast eg forward to pulpit or aft to side rails. Tying rope or shock cord to standing rigging is not acceptable. Furling gear must also be positioned to avoid "wind whistle". Boats that do not comply will be required to lower their masts for the winter months.**
9. **Cheques should be made payable to West Kirby Sailing Club and be crossed. If payment is made in cash, the money should be handed to the Office Administrator and a receipt obtained.**
