

WEST KIRBY SAILING CLUB

MARINE LAKE COURSES 2008

The course to be sailed will be displayed at the signal station in the vicinity of the starting line. All courses are of an indefinite length, the race finish being signalled by displaying the "S" board or flag by the Club Burgee on the shore at the designated finish line.

The finish line will always be between the Club Burgee and either mark G (to be taken to port) or B (to be taken to starboard). The "S" board or flag will be displayed as soon as practical after the leading boat has passed/rounded a mark which is the last to be passed/rounded immediately prior to finishing; such indicative marks are advised in **BOLD AND UNDERLINED IN THE COURSES BELOW**.

NB. Shortening the course after the lead boat has passed/rounded *italicised and asterisked marks* requires the signal station to be moved to the other end of the lake during the course of the race.
